Ingredients: NUTRALYS® S85 Plus pea protein, NUTRALYS® Rice I850XF rice protein, MCT oil powder, sugar, flavor, sweetener (steviol glycosides).

ROQUETTE

Offering the best of nature™

**Nutritional & Technological
Food Solutions**

www.roquette.com

¹ NUTRALYS® health benefits are supported by one single clinical study. Food manufacturers who would like to use NUTRALYS® pea protein for these benefits will have to run its own studies based on its own formulation.

² Pea is not listed in the Codex Stan 1-1985 (Rev. 1-1991)-§4.2.1.43, list of allergens to be labeled. Due to a few rare reported allergic reactions with pea (and their derived products), we strongly suggest to our customers to list the botanical origin of their pea derived products in their ingredient statement.

[†] The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.
