# When nature meets chemistry:

## Plant-based solutions for a sustainable development

Thanks to 80 years of experience in the starch industry, Roquette is able to provide its customers with state-of-the-art solutions that meet their needs.

Our application laboratories and our experts are at your service to offer you efficient answers and project implementation.

- > Do you require food or pharma grade raw materials?
- > Are you looking for bio-sourced raw materials?
- > Do you need polyols expertise?
- > Do you need alternatives to sugar based products?

Thanks to our expertise, we can help you produce bio-based surfactants that can be used in pharmaceutical, cleaning, or human nutrition applications.

Take advantage of both our worldwide presence and our leader position on the polyols market: be our partner and benefit from our wide range of products!
